This comic, a European manga, as its author describes it, tells of the adventures of Susana, a female journalist, discreet and brave, who is given a difficult job by her boss: researching the secret and marginalized world of sex in her city.

But Susana is not a normal woman. No one knows about her life, her loves or her past... The comic mixes dreams and reality, fact and fiction, but where does one begin and the other end? Susana's past may be the key.
