2010

**Season:** SPRING 2010

It's almost time for school and Little Pig is still at home. She is really nervous. They are late once more! It is all mummies' fault; she is very messy and disorganised and can't find anything. To top it up, on the way to school she stops to talk to everybody. Little pig cannot bear it anymore. She wants another mummy right now and she's about to search for one!
