This is the most beautiful story in the world. A picture book that, with tenderness and humour, describes the worries, feelings and emotions of a child when a new baby comes into the home. To help boys and girls discover that having a little brother or sister can be fun. You and I, a story to help young children understand the birth of a brother or sister. Through the story, and Raúl Guridi's marvellous illustrations, they can talk about how they can be involved in the wait for a new family member, and express their feelings at any given moment. A resource adapted for young children about such important issues as jealousy, love of parents, and the exclusiveness of each child.
