In 1946, a year after the end of the Second World War, Alej, an elderly bookseller, recounts to his friends a legend that has been told since the times of his oldest forebears, and will change the lives of all of them. Kiran's Journey tells how, even in the face of all the problems that can get in the way, it is still possible for a person to find happiness. On his journey through persecution, intrigue, struggle, suffering, and above all, love, Kiran discovers genuine happiness, the state we all seek but that we unconsciously avoid. In this inspiring novel and practical self-help guide, readers can discover the real dimensions of love, dreams, hope, freedom, friendship and loyalty, success, life, anticipation, joy, affection, serenity, wealth and happiness.
