Unlucky the pirate comes from a family of famous pirates like his grandpa, the much-feared Blackmouth, who used to eat raw squid. His grandpa left him a boat and an eyepatch, which he quickly stopped wearing because it always covered his good eye, and his father left him a parrot. Unlucky is a pirate for whom things always go wrong. No matter what he does, everything always turns out for the worst. Perhaps a good crew will solve everything.
