The Moura Cave is the title of this sage, which shares its name with the ancient Celtic legend that is the basis and trigger of this frenetic adventure. With Eve, the main character, readers travel to various corners of the world of this Celtic heritage, beginning with a village in Galicia, in the north of Spain, where nothing is what it seems, and Eve will find herself embroiled in a centuries old feud between two bands: the Lights and the Darks. A story filled with magic, tradition, love, mystery... with incredible twists that lead to an unexpected ending.
