Genre: Children and Youth

SPRING

2019

Season: Year 2019

Hi, my name is Petra and I'm very small, so small that hardly anyone notices me. But I dream of being big, very big, bigger than anyone else. These are the words of the main character of the story, a little pebble who dreams of being big, but who finds that in real life she is looked down on because of her size. A picture book that helps readers to understand that they should never give up their dreams or judge others by their appearance.
