After receiving a scholarship, Nerea moves from her city, Valencia, to the capital of the United States, Washington D.C. Her new life, in a completely unknown city so different from what she knows, immerses her in an adventure of adaptation which she skilfully unfolds. Meanwhile, her personal and work relationships with her colleagues in a well-known coffee shop, where she works while beginning her studies at Georgetown, will lead to conflicting feelings, especially with the enigmatic and unfriendly Liz.
