SPRING

2020

**Season:** Year 2020

The goal of the frog who is the heroine of this story is to perform a good jump. Frog makes various attempts but each is more painful and frustrating than the last. In spite of this, Frog does not give up and keeps trying again and again until she succeeds. Tomorrow Is Another Day shows how life is full of challenges to overcome, and growing and developing is the biggest of them all. Learning from mistakes and, most of all, not becoming discouraged, is the key to progressing and that is what this story aims to show.
