Genre: Children and Youth

SPRING

2011

Season: SPRING 2011

There are many things that children want to know and we don't know how to tell them. This is often because we are at first taken aback, but also because no really important question has a single answer. This story was born of the stubborn desire to cling on to a memory, was nourished by those surprising questions that only children know how to ask, and is only a small part of the universe of answers that we can offer our loved ones. 'Dónde está güelita Queta?' is a journey through loss, which is always great, and brutally inexplicable to children, and it is also a homage and a trail of crumbs, so that we learn to remember those we miss, searching for ways to keep them always by our side.
