Gwen's coven is made up entirely of women and was created as part of a curse that prevents her from being with the man she loves. La Moura is prepared to give him up as long as he is happy, even if it's without her. Jack is the Druid whose future is linked to Gwen's. In his visions she is still his life partner and he won't give up until he gets her back. An ancient prophecy, betrayals, spells, forgotten books, magical places ... these are just some of the elements that make up this story. Will love be able to break a curse? An independent novel with all the essence, magic and spirit of the whole La Moura's Cave saga, thanks to the Celtic legends it is based on.
