**Season:** SPRING 2012

One night, Mucki is woken up by a tremendous miaowing and discovers that it's Luisín the cat, an aspiring singer, who is waking everyone up. Can Mucki and his friends, Boticaria the mare and Margarita the trout, bring peace and quiet to the village again?

A children's book with an environmental message. Now children as young as six will be able to meet Mucki and take part in his adventures whilst learning how to care for the environment. With colour illustrations and lots of fun activities. Printed on FSC recycled paper.
