This is the story of Mucki, a dog who was abandoned in a village as a puppy. He leads a very sad life until he meets Julia. On that day Mucki's life changes completely. In this, the first book of the collection, Mucki and Julia travel from Ávila to London where Mucki discovers his detective side, because he ends up having to follow the trail of his new friend Gutxi, who has disappeared. Children will learn about culture and languages, and interact with the book by way of the activities interweaved with the text.

A collection of interactive children's novels whose main character is a little dog called Mucki. This adventure and mystery novels aim to awaken young children's interest in history, culture and languages. A fascinating journey through children's imagination.
